

IOT Watson Platform

Project title	Smart Farmer-IOT Enabled Smart Farming Application
Team Id	PNT2022TMID25834

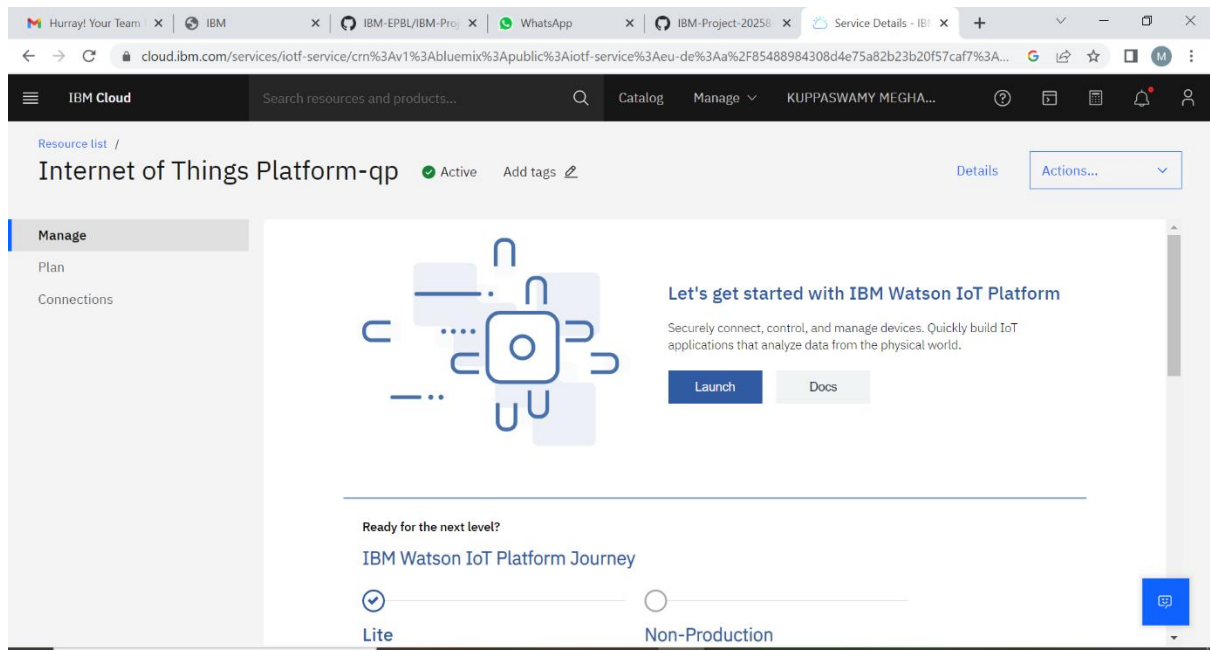

Step1: log in your registered id

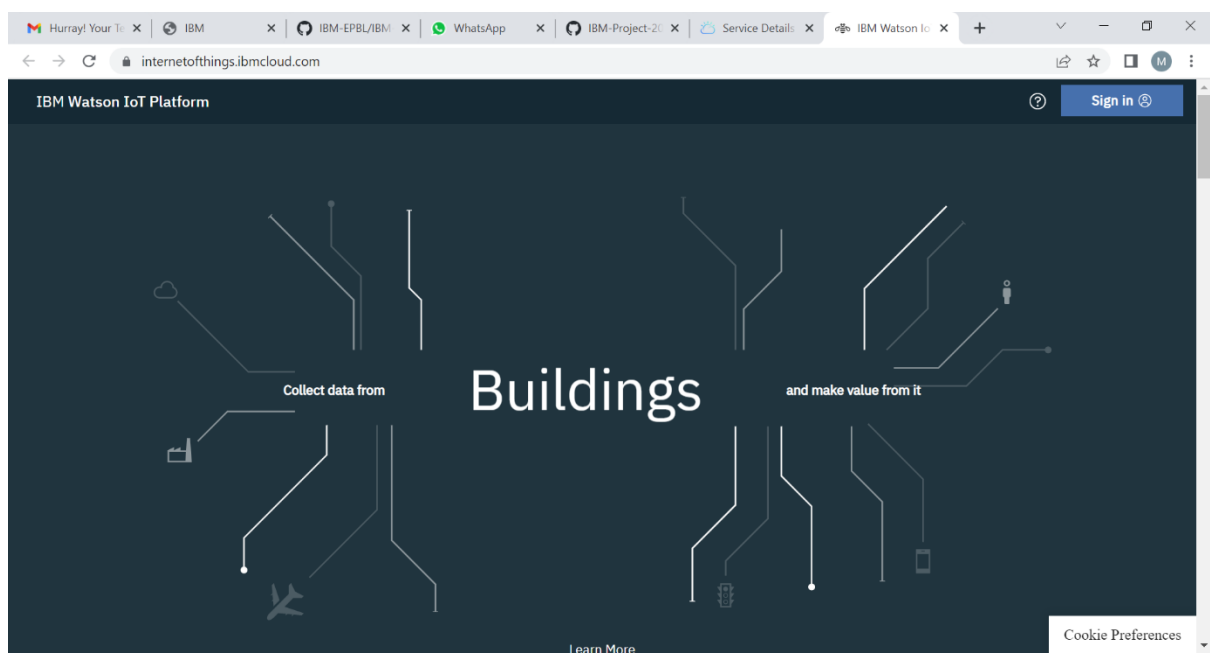

Step 2: click catalog where you find the services and internet of thing you can select and make location as London

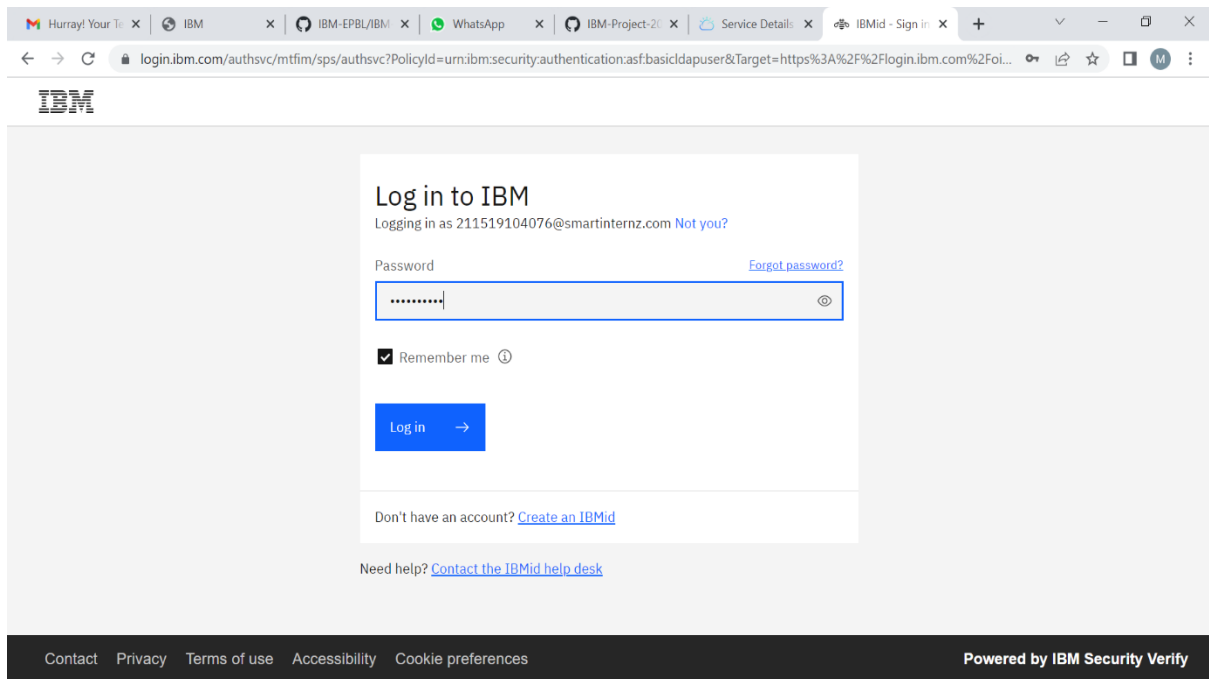

Step 3: click create and the launch tab get open, then click launch

Step 4: It redirect you to IBM WATSON platform where you need to click sign in

Step 5: you need to log in IBM ID

The screenshot shows the IBM login page in a web browser. The browser's address bar displays the URL: `login.ibm.com/authsvc/mtfim/sps/authsvc?PolicyId=urn:ibm:security:authentication:asf:basicdapuser&Target=https%3A%2F%2Flogin.ibm.com%2F...`. The page features the IBM logo at the top left. The main content area is titled "Log in to IBM" and indicates the user is logging in as `211519104076@smartinternz.com`. There is a "Forgot password?" link. A password field is present with a masked password of seven dots and a toggle icon. Below the password field is a "Remember me" checkbox, which is checked. A blue "Log in" button with a right arrow is positioned below the checkbox. At the bottom of the login form, there is a link for "Don't have an account? Create an IBMID". A footer section contains links for "Contact", "Privacy", "Terms of use", "Accessibility", and "Cookie preferences", along with the text "Powered by IBM Security Verify".

Step 6: where you find this tab which is used to add device, app, member, usage, security can be worked

The screenshot displays the IBM Watson IoT Platform dashboard. The browser's address bar shows the URL: `orshgm.internetofthings.ibmcloud.com/dashboard/devices/browse`. The dashboard has a dark blue header with the "IBM Watson IoT Platform" logo and a user profile section showing the email `211519104076@smartinternz.com` and ID `orshgm`. A left sidebar contains various navigation icons. The main content area has tabs for "Browse", "Action", "Device Types", and "Interfaces". A search bar labeled "Search by Device ID" is present. A "Device Simulator" toggle switch is set to "Off". A table with columns "Device ID", "Status", "Device Type", "Class ID", and "Date Added" is shown, but it is empty. Below the table, a message states "You don't have any devices." with a "Create a device." button. An "Add Device" button with a plus icon is located in the top right corner of the main content area.
